## Short Sale Documents Revised

Today we have released updates to the Short Sale Summary and Short Sale Addendum.

The Short Sales Summary has now been divided into two separate documents – one for Buyers and one for Sellers. The Seller's Summary has a new section addressing alternatives to a Short Sale.

The Short Sale Addendum has been updated to further address and clarify issues such as:

- Delays in approval from Creditors
- Multiple offers
- Information sharing

For more detailed information on the changes to these documents, see
