Read the following 10 testimonials of brokers and leaders who had this to say about the value of the forms changes seminar and the Oregon Real Estate Forms Library!

"Your Forms Committee is pleased to present the 2016 Oregon Forms Library. The committee's 2015 work has resulted in enhancements to approximately 1/3 of the Library; the Sale Agreements have been updated and brokers will appreciate the information flow for their clients, as well as the forms being reduced in # of pages." --**John Hoops, RE/MAX Integrity—Eugene/Lane County & 2016 OREF Forms Committee Chair**

"Your Oregon Real Estate Forms Library is your go to resource for your 60 + real estate transactional and advisory forms. The best thing Principal Brokers and brokers alike can do is to review the 2016 Forms Changes Summary on www.orefonline.com (available after December 10, 2015) and enroll/register in one of the January 2016, Forms Changes seminars and webinars."
--**Debra Gisriel, Fisher Nicholson Realtors, LLC & 2016 Oregon Association of Realtors® President**

"I have found the OREF seminars to be the most valuable of all of the educational offerings. Forms are used every day in the life of a Realtor® and education for these forms is imperative. Not only do we learn of the use of these forms, but the thought processes behind them stemming from the Realtors® using them in situations

that are too numerous to mention. I highly recommend OREF Forms Seminars to every Realtor®. Not a class to miss!" **Joann Hansen, Joann Hansen Realty**—Coos Bay, OR

"The 2015 Form Changes class last year was one of the most valuable and well attended classes. OREF forms are the one business resource that we all use throughout the year, so it is vitally important to be in front of the forms changes as we start out the new year." **Colin Mullane, Full Circle Real Estate**—Ashland, OR

"I attended the educational seminar this past year and highly recommend Principal brokers and brokers alike to attend and learn about the 2014 Forms Changes." **Eva Sanders, Meadows Group, Inc., 2013 OAR President and 2016 OREF, LLC Board Chairwoman**—Portland, OR

"As real estate professionals and Realtor® members, being up to date on the most current version of the forms is a commitment we should be making for our clients and to reduce our own potential risk and liability." **Wendy Adkisson, Cascade Sotheby's International Realty**—Bend, OR

"Phil Querin, Attorney and Forms Committee Legal Counsel, provides informative and insightful overview of the annual forms changes. In addition to reviewing changes made to the Oregon Forms Library, Phil offers solid risk management tips that Principal Brokers can implement for our brokerages, brokers and clients. The 001—Realtor® Guide for Residential Real Estate Sale Agreement and the other advisory forms are exceptional in guiding Realtors® in completing a solid sale agreement and real estate transaction."
— **Gary Majors, Keller Williams Realty Professionals**—Portland, OR

"My brokers have gained great value from the OREF 2015 forms changes summary posted on the OREF, LLC website and the information presented at the annual Forms Changes seminar. I highly encourage you as Principal Broker to attend the 2016 seminars or webinars and encourage as many of your brokers to attend and participate." **Deb Galliano Nolen, Better Homes Gardens RE Realty**—Clackamas, OR

"Byron Hendricks, President and Principal Broker Berkshire Hathaway Home Services Real Estate Professionals in Salem, has provided annual forms changes seminar presentations for both the Salem Association and North Willamette Association of Realtors® for the past decade. I have attended other seminars and presentations he has provided over the years and have learned a lot from him as an instructor and fellow OAR Board of Director, as well as a fellow Principal Broker. Byron's experience and industry excellence, as well as his active state director involvement with Oregon Association of Realtors® provide Realtors® proven guidance on delivering professional service and representation in all real estate transactions."
