## OREF IS PASSING ON SAVINGS TO YOU!

- The NAR Board of Directors recently approved a partnership with zipLogix to **provide all REALTORS® with zipForm Plus® and zipTMS™ as a free member benefit (\$10 value) for the next three years.** That's great news! However, this is **just the forms software, not the forms themselves.** Every state has development costs to deliver a robust forms library powered by software platforms like zipLogix zipForm Plus®; Oregon is no exception.
- OREF is **passing on this \$10 savings to our valued subscribers by reducing the annual subscription price from \$99 to \$89.**

Starting Price	NAR/zipLogix Subsidy	New 2016 Subscription Rate
\$99	-\$10	<u>\$89</u>

### PREMIUM VALUE, RICH RESOURCES

#### What do you get for your \$89 annual subscription?

- **Oregon Forms Library** of 66+ forms for every part of your transaction
  - Your cost is only about \$7 per month for this valuable risk management service
- **Continuing education** (15 hrs. per year) and **webinar archives**
- **Forms Committee** which develops and enhances your library every year with your broker input
- **Portland based customer service** along with zipLogix call center for enrollment and technical support
