

USE YOUR OREF-PROVIDED MLS BENEFIT FOR AUTOMATIC LISTING DATA ENTRY DONE RIGHT THE FIRST TIME

zipFormMLS-Connect® is your fast-track solution to data without error during the transaction creation process. And if you haven't already heard, it's ready for you to start using right now compliments of OREF. Just log into your MLS or zipForm® Plus to get started.

See a listing you want to make an offer on?
Click the icon under the MLS listing and it imports the data right into a new zipForm® Plus transaction

Enter an MLS listing ID in zipForm® Plus and the data will be pulled from the MLS right into your transaction

SAVE TIME AND ELIMINATE DOUBLE ENTRY
