SOLUTIONS FOR AGENTS, BROKERS AND TEAMS

Agent (Included as part of the transaction management benefit provided by the National Association of REALTORS®)

It's an agent's new best friend! Time-saving templates, checklists and a superb Agent Dashboard empower you to easily manage your transactions with confidence.

This integrated transaction tool is completely designed around your needs. It tracks urgent and completed tasks, manages deadlines and keeps up with calendar dates while helping you stay one step ahead on transaction workflows.

Broker*

Mitigate risk with this powerful multi-user solution. Manage multiple office locations, teams or individual agents and eliminate repetitive paperwork.

Manage performance with this complete transaction system. Monitor activities, collaborate with other offices or clients and check off tasks while keeping a complete history of your agents' activities.

Daily activity gets translated into powerful data to assist with transaction monitoring and equips you to make important business decisions in real time.

Team*

Team members can collectively work together on transactions online instead of exchanging files through email or in person. Eliminate the repetitive paperwork, maximize efficiency and mitigate risk.

zipForm® Plus INTEGRATES WITH THESE OPTIONS*

Enjoy the ability to sign legally binding real estate industry forms, increasing your closing speed and accuracy! Plus, all of a document's data and the digital signature affixed within stay secure throughout the entire process.

zipLogix Digital Ink® signatures permanently preserve the identity of all signers and protect documents from unauthorized revisions and updates.

Auto-populate data right into zipForm® Plus! It's the perfect complimentary tool to save even more time and reduce duplicating data entry within a transaction. Data pushing functionality is available from MLS providers that support this functionality.

Stay connected to your transactions no matter where life takes you. Maximum productivity for managing transaction activities, creating transactions, sending e-signatures, and much more.

zipForm® Standard Desktop Edition

zipForm® Standard Desktop Edition syncs with zipForm® Plus so you have everything you need at your fingertips while working offline.
