Oregon Real Estate Forms (OREF) Now Available

We are excited to announce that Oregon Real Estate Forms (OREF) are now available in DocuSign Rooms for Real Estate. Subscribers can access the form library by providing their OREF credentials.

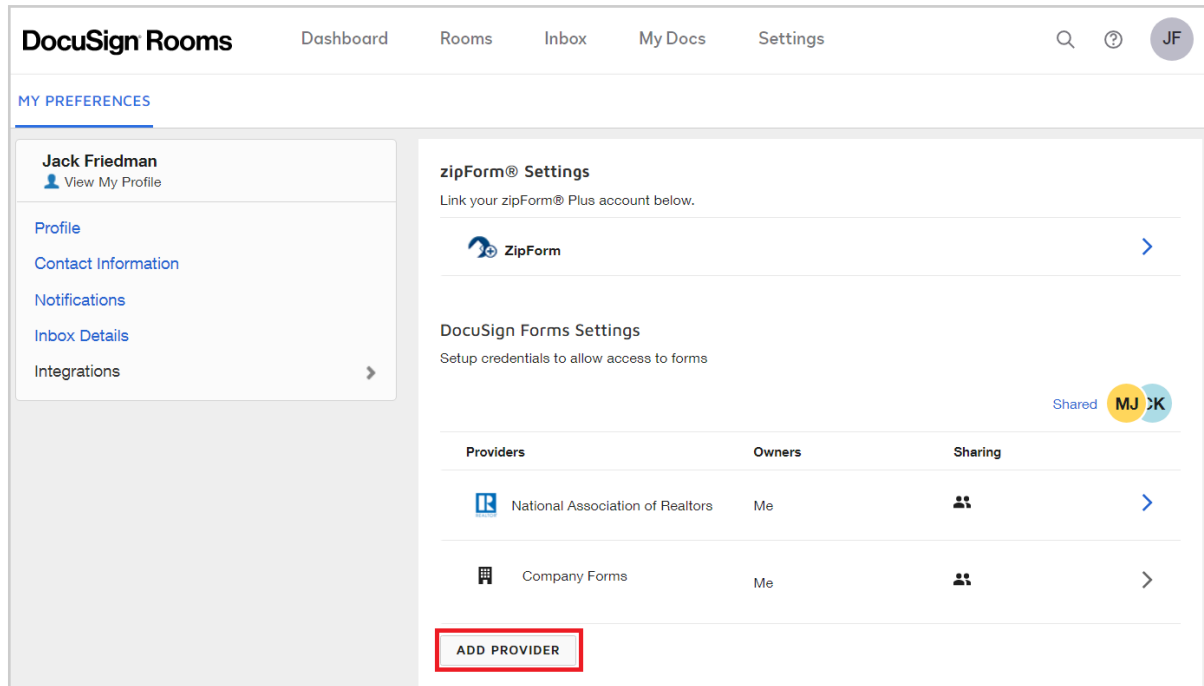

Please contact your sales representative or account manager to enable this form provider for your company.

Add OREF as a Form Provider

To access OREF form libraries in DocuSign Rooms for Real Estate, you must add OREF as a form provider on your Integrations page.

1. Log in to your Rooms account.
2. In the upper right, select your profile picture or initials.
3. Select **Preferences** from the drop-down menu.
4. Select **Integrations**.

5. In the **DocuSign Forms Settings** section, select **ADD PROVIDER**.

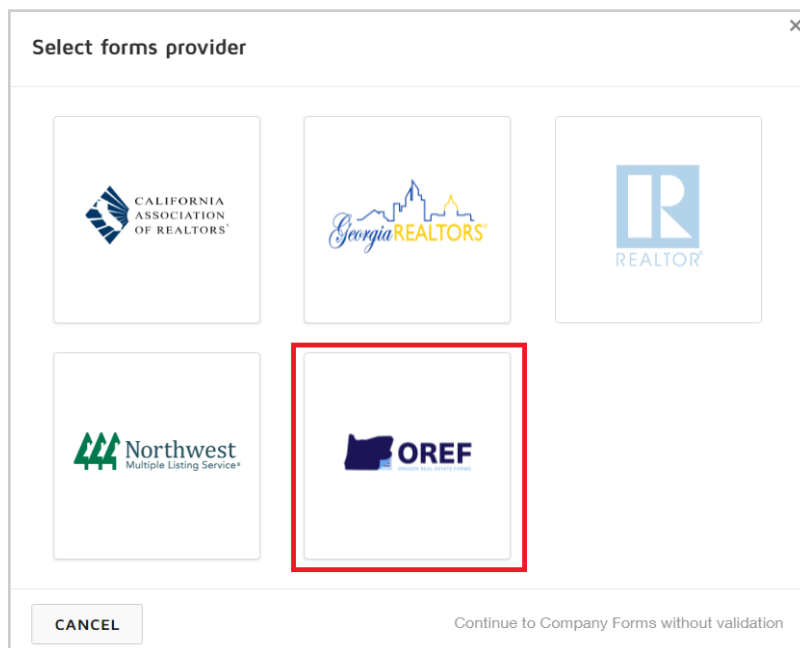

The screenshot shows the DocuSign Rooms interface. The top navigation bar includes 'Dashboard', 'Rooms', 'Inbox', 'My Docs', and 'Settings'. The user profile 'Jack Friedman' is visible in the top right. The main content area is titled 'MY PREFERENCES' and contains a sidebar with 'Profile', 'Contact Information', 'Notifications', 'Inbox Details', and 'Integrations'. The main panel is 'zipForm® Settings', which includes a section for 'DocuSign Forms Settings' with a table of providers:

Providers	Owners	Sharing
 National Association of Realtors	Me	 >
 Company Forms	Me	 >

At the bottom of the providers list, there is a red-bordered button labeled 'ADD PROVIDER'.

6. Select **OREF**.

The screenshot shows a 'Select forms provider' dialog box with five provider options:

- CALIFORNIA ASSOCIATION OF REALTORS®
- Georgia REALTORS®
- REALTOR
- Northwest Multiple Listing Service®
- OREF (highlighted with a red box)

At the bottom of the dialog, there is a 'CANCEL' button and a link that says 'Continue to Company Forms without validation'.

7. Enter your OREF license number or subscriber Access ID.

8. Select **VALIDATE**.

OREF displays in the **Providers** list on your Integrations page. You can now access the provider's form libraries when [adding forms to a room](#).
